Ok thanks Andy. Do you have a concurrence form you are using these days?

Linda

Letter looks good. I have just a few comments/suggested revisions to add to those that Jonathon provided. See attached.

You will need to prepare the letter for Kate's signature and for my concurrence. Regional SWDA Delegation R10 8-0 re-delegates authority to office director level with ORC approval of form, text and legal sufficiency. It states that the authority may not be re-delegated.

Let me know if you have any questions or concerns
